

Prosperity Techniques

by Michel Green

You are offered several Prosperity Techniques to assist in your Journey.

The “Magic” Cheque

Take one of your personal [or business] cheques and fill it out as follows:

1. Leave the Date line blank so the cheque will be active for every date.
2. Write your name in the “Pay to the Order of” line.

Date: _____ [1]_____
Pay to the Order of: _____ [2]_____
_____ [3a]_____ \$ _____ [3b]_____
Signed ____ <i>The Law of Abundance</i> [4]_____
Memo: <i>Paid in Full</i> [5]_

3. Leave the amount spaces blank so any and all amounts are available to you.
4. Sign the cheque: The Law of Abundance
5. Write “Paid in Full” in the memo line.

If you put in a date, the cheque is only good for that date instead of all dates.

If you put in an amount, the cheque is only good for that amount instead of any and all amounts the Universe might choose to send you. A blank amount line indicates your acceptance and understanding that the Universe has greater resources and a greater belief in your worthiness than you have for yourself.

Above all, do not write the word “VOID” across your cheque or on your cheque stub – this negates the cheque completely.

Having completed the cheque, fold it in half and place it:

1. In your wallet;
2. Under any container in which you tend to drop “spare” change;
3. Under your telephone – especially if your business comes to you through your phone;
4. Or all three places.

Then forget about it and let it work without interference from your worry state of mind.

Ask for Help/ Prayer/Meditation

Go to:

www.unityonline.org

Click on “Send Prayer Request”

And request a prayer/ meditation for yourself and expanded prosperity. This is one of the prayers that Silent Unity offers. If you wish to be contacted, there is space to indicate that; if you prefer not to be contacted, you can indicate that as well.

Your name and request will be held in their circle for 30 days; after that you can renew if you wish.

This meditation/prayer circle has been sitting continuously day and night, hour upon year for more than 120 years and, therefore, its power to facilitate good and bring healing easily borders on the miraculous.

Acceptance

Say – at every opportunity:

I accept; I accept; I accept

Whenever you perceive a blessing, a benefit, a gift being offered, say – out loud or to yourself – “I accept – I accept – I accept.” Be sure to remember that when you choose to accept the abundance of the Universe, saying “Oh no, I couldn’t” when someone offers to take you to lunch, for example. What are you telling the Universe at that moment? By saying “I desire abundance and then saying, “No, I couldn’t” you are not being very clear – and it is extremely difficult for the Universe to understand what you desire because of that. The Universe always says, “Yes!” – So when you say, “I accept” followed by “No, I refuse.” – How clear is that? Do you see how you are the one who is declining your good?

Say, “Thank you – I ACCEPT!” – With a smile on your face.

[And please do not keep score in your mind by keeping track of who does what for you so you can do in exact measure for them. Simply allow that each individual is an agent of the Universal Good bringing to you what you have earned; go thou and do likewise to another.]

To step this up a large notch, saying:

Thank you very much, God; I accept; I accept; I accept

is even more effective.
